Women in Mining and Resources WA

The Women in Mining WA Mentoring Program 2015

Are you interested in being mentored by some of the most inspirational men and women around town? Would you like to build your professional networks? How about receiving individual support, advice and guidance from a male or female mentor that lives and breathes the same industry as you?

The WIMWA Mentoring Program has been tailored to suit women working in the mining and resource sector. The aim of the WIMWA Mentoring Program is to support professional WIMWA mentees through career guidance and direction by sharing mentor/mentee experiences, developing career goals and forging exceptional mentoring relationships.

Our mentor database holds some of the most influential WA male and female leaders in our industry with a wealth of knowledge. As a WIMWA mentee, you could have exclusive exposure to some of the following mentors:

**Rebecca Kellam – Operations Manager
Cube Consulting**

Rebecca is a geologist with 25 years in the Australian mining industry in both operational and mining services. As a mentor, Rebecca is passionate about helping young women in the mining industry clarify their goals, believe in themselves and enjoy fulfilling careers.

**Megan McCracken – Head of Human Resources
and Corporate Affairs
Brookfield Rail**

Megan has more than 20 years' experience in Human Resources specialising in Employee Relations and Organisational Development in the Resources, Automotive, Energy and Rail industries. Megan is a strong supporter of the role of women in non-traditional roles and industries and has been a mentor with WIMWA since 2013.

**Mike Spreadborough – Chief Operating Officer
Sandfire Resources NL**

Mike's career has seen him work for small and large companies across a range of commodities in operational and project development roles. As a mentor, Mike believes that the WIMWA Mentoring Program provides the opportunity for women to learn from successful people in the industry enhancing their development as industry professionals.

Mentees will be eligible to enrol in either Semester 1 (Feb - June 2015) or Semester 2 (July - Nov 2015). Mentees must attend a 2 hour training session followed by a sundowner in February or July 2015. All costs are included. Applications may be obtained from www.womeninmining.com and close 31st October 2014 (Semester 1) or 31st March 2015 (Semester 2). Cost \$1,000 + GST.

For more information go to www.womeninmining.com or contact Dr Ali Burston on 0412 550 501, or email ali.burston@metisphere.com.au
