Closer to Closure?

Reflections on the Mine Closure Framework in Western Australia

The sharp decline in commodity prices, coupled with increasing public scrutiny of rehabilitation performance, makes it timely to consider legal and technical constraints around mine closure in Western Australia. Allens is pleased to invite you to a Women In Mining Western Australia event, where Allens Managing Associate Eve Lynch and David O'Brien, Senior Environmental Scientist, MBS Environmental, will give an overview of closure planning in practice.

CPD points for WA legal practitioners: 0.5 points in Professional Skills (Competency Area 2) and 0.5 points in Substantive Law (Competency Area 4).
